

# Top 5 Reasons to attend Virtual PES

The **Peak Pilates® Virtual Empowerment Summit** is an experience designed to enhance your personal growth and expand your *Pilates* expertise.

There are so many great reasons to attend the first PES Virtual Convention, it's hard to narrow it down. But we'll try! Here are the top 5 reasons to attend **PES 2022 October 21-23**.

1. **Convenience.** This is the most convenient event we have ever had. No need to fly anywhere, no need to book a hotel room. You can enjoy this convention and all the sessions from the comfort of your own home by either attending the live virtual workshop or viewing the recordings.
2. **Choices galore.** We have brought together 12 fabulous presenters who are delivering 20 amazing sessions. Whether you want to advance your understanding of technique, teaching, or special populations...we have you covered. Most sessions have never been presented at PES, so expect to come away with fresh ideas and inspiration. You won't find this lineup anywhere else live or virtually.
3. **Recordings.** Can't decide what to take? No need to choose between sessions as all sessions will be recorded. And if you register for a session, you will have 30 days to watch and re-watch the recordings! Recordings will be dropped right into your course online...how easy is that?!
4. **Free events!** We have kept the tradition of hosting the traditional free Kick-Off Master Class and traditional cocktail reception. Settle in with friends, students, and fellow instructors to "Kick It with a Side Kick" themed Mat Class and/or tune into listen to our special

guest, *Blossom Leilani Crawford*, who will share insights on the industry and memories of her time working with Kathleen Grant and Romana Kryzanowska. These events are limited to the first 300 who register and will not be recorded.

5. **Renew.** Last, but not least, if your Peak Pilates® certification has expired, you can re-invigorate simply by attending PES. Attend the event, earn 14 CECs, and we will waive your late fee. That means you only must pay the renewal fee of \$69.95 to be reinstated and to remain current for another 2 years. Please note, you must complete your renewal application by January 1, 2022.

We've created PES to be a unique event for Pilates professionals and enthusiasts worldwide that connects instructors with a supportive community of top Pilates professionals to gain insight, heighten Pilates understanding, and enhance teaching expertise. We hope to see you there!
